About The Conference

The conference will focus on advances in the understanding of both the fundamental and applied aspects of wear and friction of materials and will provide a progressive international forum for researchers and practicing engineers from different disciplines to interact and exchange their latest understandings. The conference is also unique for its paper submission process with full peer review in collaboration with the Elsevier journal Wear to ensure technical quality of presentations.

Special sessions will concentrate on engine tribology, wear of tools and tooling materials, friction and wear under vibratory contact, marine applications, role of third bodies during wear and surface texturing for wear reduction.

**TERMS AND CONDITIONS OF BOOKING:**

- Acceptance of applications for table-top exhibits or sponsorship is at the discretion of the organisers.
- Cancellations: If you find it necessary to cancel your exhibition or sponsorship package, please contact the conference department immediately using the contact details provided during the confirmation of your involvement. Cancellation more than 91 days prior to the first open day of the conference – 50% of the total charge as a cancellation penalty provided that written notice is received. Cancellation 91 days or less prior to the first open day of the conference – 100% of the total charge as a cancellation penalty.
- Payment must be made in advance of the conference and is non-refundable according to the above cancellation terms.
- You will be provided with confirmation of your booking, along with full details of shipping co-ordinates and relevant shipping deadlines.
- A reduction in Stand space shall be treated as a pro rata cancellation. A signed order of a Stand implies participation by the Exhibitor for the whole of the time when the hall is open to the Visitors. In the event of cancellation by the Exhibitor or failure to exhibit the stand charges shall be paid in full to the Organiser. Cancellation charges will be applied as indicated above and the parties hereby agree that these constitute a genuine and reasonable estimate of the loss which the Organiser would incur on cancellation of the order by the Exhibitor.
- The exhibition stand contract constitutes a license to exhibit and not a tenancy. The Organiser reserves the right at any time and from time to time to make such alterations in the ground plan of the Exhibition as may in their opinion be necessary in the best interests of the Exhibition and to alter the shape, size or position allocated to the Exhibitor. No alternations to the space allotted will be made in such a way as to impose on the Exhibitor any greater liability for rental than that undertaken in the exhibition stand contract.
